

# PAYSON SEYMOUR

## HALL OF FAME

The Payson Seymour High School Hall of Fame Committee seeks information on former students, coaches, and teams worthy of Hall of Fame status. We can consider inducting former athletes if we have information about their accomplishments.

We would appreciate newspaper clippings, official statistics, or any other information you have that can help us in the nomination process. Anyone can be nominated, as long as they fit into one of the five categories for induction and have graduated before 2000.

Please return the below nomination form to Brad Page at Payson Seymour High School.
