

5-14-2020 School Reach

The Junior high and high school will have a day to return Chromebooks, textbooks, library books, completed packets and anything else you have that belongs to the school. The two return days are Monday May 18th, from 12:00-3:00 and Tuesday May 19th, from 5:00-7:00. There will also be a bin available at the high school for work completed by the grade school students. If you have any school items to return to the grade school, you can do so at this time. Thank you, and see you next week for the junior and high school turn in day.
